U.S. Highway 95 Aht'Wy Interchange Construction & Traffic Update – Mid-June

Work continues on the Aht'Wy Interchange project on U.S. Highway 95 near the Clearwater River Casino & Lodge RV Park. As crews shift their work to other sections on the site, there will be a new change to traffic patterns starting this week.

Motorists are advised that access from SB US-95 to the plaza will only be allowed at the west entrance point. Access from NB US-95 to the plaza will be allowed at both west and east entrance points.

Access from the plaza to SB US-95 will be restricted at the east entrance and only allowed at the west entrance. Access from the plaza to NB US-95 will be allowed at both east and west entrance points.

[To see a graphic for access to and from the plaza, please reference this handout](#)

During these early stages, travelers can expect single lanes in each direction. The speed limit has been lowered for safety. ISP is heavily patrolling the area. Please be mindful of construction workers working near the roadway.

Updates on the Aht'Wy Interchange Project can be found by visiting
